

WALLA WALLA HIGH SCHOOL CLASS OF 1969

Class of 1969 Graduates of Distinction

The Graduates of Distinction Program seeks to recognize and honor the distinguished achievements of Walla Walla Public Schools graduates who serve as positive role models for current and future students.

It is important for students to see how impressive their future accomplishments — both personal and professional — can be to their community and society. Quality education is our past, present, and future.

These Walla Walla Public Schools graduates have distinguished themselves in their communities, professions, and careers. They continue to give of themselves to society and bring honor to the district.
